Mr. C. W. Stevens  
111 Third Street Northeast  
Cedar Rapids, Iowa

Dear Mr. Stevens:

I received your letter just as I was getting ready for my trip home, and this is the first opportunity I have had to answer it.

The picture I am enclosing is a miniature of the picture Floyd had taken for my birthday. He had it taken the last of June and they were to be finished on July 12th which is my birthday. I didn't know the studio at which they were taken so went to every one in town before I found them. I hope it will serve your purpose.

Your son was a wonderful boy as well as a wonderful Pilot and was well liked by all who knew him, and his wife and I correspond regularly.

If ever I should get to Cedar Rapids I would like to see your scrap book.

Sincerely yours,

Kay Lehrer
